

Eligibility for **Medicare Savings Programs**
& **Healthcare for Workers with Disabilities**

① **What is your family’s monthly income (before taxes)?**

- Don’t forget to include any **benefits** received from agencies like Social security, worker’s compensation, unemployment.
- If you are **self-employed**, call 1-800-735-7040 for more information on the additional deductions you are allowed to take.

② **Compare to see if your income is under or close to the limit for one of these programs. Some deductions are allowed.** If your income is only slightly over the listed income limit, it is best to apply and let the DSHS worker figure out the deductions that you qualify for.
